

Conflict of interest EMAS board members

Conflicts of interest (COI) arise where there is a divergence between an individual's responsibilities to the EMAS Board and their other interests, such that an individual's motives might be compromised, or perceived to be compromised.

COI include, but are not limited to, the following. Board members are required to disclose any of the following:

1. All relevant financial relationships with commercial interests (entities producing, marketing, re-selling, or distributing goods or services) in any amount as well as the nature of the relationship (personal or immediate family) within the past 5 years eg
Grant/research support
Consultancies
Membership of speakers' bureaux
Patent ownership
Membership of board of directors
Stock shareholding
Other financial support

2. Any non-financial relationships/affiliations relevant to EMAS

- I am President of the German Menopause Society e.V.
- I am President of the German-Chinese Society of Obstetrics and Gynecology e.V.
- I am in the Board of some German and International Societies related to issues of menopause

I have the following potential conflict(s) of interest to report

- Funding of research by various pharmaceutical companies who produce and/or sell products for the use of hormone therapy in peri- and postmenopausal women
- lecture fees from various pharmaceutical companies speaking on hormone therapy or other issues of menopause
