

Conflict of interest EMAS board members

Conflicts of interest (COI) arise where there is a divergence between an individual's responsibilities to the EMAS Board and their other interests, such that an individual's motives might be compromised, or perceived to be compromised.

COI include, but are not limited to, the following. Board members are required to disclose any of the following:

1. All relevant financial relationships with commercial interests (entities producing, marketing, re-selling, or distributing goods or services) in any amount as well as the nature of the relationship (personal or immediate family) within the past 5 years eg

Grant/research support

Consultancies

Membership of speakers' bureaux

Patent ownership

Membership of board of directors

Stock shareholding

Other financial support

2. Any non-financial relationships/affiliations relevant to EMAS

I have the following potential conflict(s) of interest to report

- I have been speaker for and/or received consulting fees from Gedeon Richter, Abbott, Novo Nordisk and Orion, and received funding for congress trips from Mylan

- I have received research grant support from the following non-profit organizations:

the Finnish Medical Association, the Päivi and Sakari Sohlberg Foundation, 1,3 milj. klubi-klubben and a special governmental grant for health sciences research.
